Experiencing the invisible

Real places

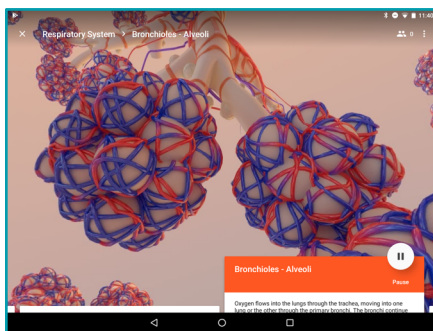

“ The virtual reality helped me because I could see for myself what was happening without having to imagine it. ”

9

Learning through simulations

Simulations

“ The animation was very realistic; therefore, I could take more knowledge away from the lesson [...] these images can [...] help me explain about the respiratory system in a much larger amount of detail. ”

Local to global – and – global to local

Local to global

Global to local

“ It helped me to understand the Chilterns is an area of natural beauty compared to some places in the world It helped me to feel more caring about the Chilterns. ”
